<h2>DECLARATION OF WORKING LIVESTOCK DOG STATUS FOR REGISTRATION REBATE</h2>	SF192
	Responsible Officer: SCO
	Issue Date: 06/06/2014
	Next Review Date: June 2018

The Yorke Peninsula Council offers a reduced registration fee for dogs primarily used as 'working dogs'. The fee for a working dog has been set at \$40.00 for the 2017/18 registration year.

To qualify for rebate the dog must be used **primarily for the droving or tending of stock** and no other rebates will apply. Livestock means animals usually kept in a domestic or captive state, primarily sheep or cattle.

Please note: Dogs used for vermin control are not considered working dogs and normal registration fees will apply.

Changes to the legislation controlling dog registration has resulted in the Dog and Cat Management Board placing Council's dog registration practices under greater scrutiny, particularly with the granting of rebates.

In order to comply with the Board's directions, Council requires owners of 'working livestock dogs' to complete the following declaration when registering a new working dog.

Transporting unrestrained Dogs in Vehicles

Recent legislation changes stipulate that all dogs must be physically restrained whilst being transported in the open tray of a utility, truck or other similar vehicle.

Dogs are however permitted to be transported in the open tray of a utility, truck or similar vehicle, unrestrained, if the dog is being used in the droving or tending of stock or is going to or returning from a place where it will be, or has been, so used.

This declaration must be completed in full to claim the rebate.

PENALTIES OF UP TO \$10,000 MAY APPLY FOR FALSE OR MISLEADING STATEMENTS
