

Council Assessment Panel

Expressions of interest

PRESIDING CHAIR (1)

INDEPENDENT MEMBER (3)

Council is required to appoint a new Council Assessment Panel (CAP) for a new two year term commencing January 2020 and concluding January 2022. Council must appoint three (3) Independent Members and one (1) Presiding Chair to the CAP. The CAP is also comprised of one Councillor, also appointed by Council.

Council is seeking expressions of interested persons for the membership vacancies of the CAP. The CAP has responsibility for assessing development applications referred for decisions under the delegation of Council. Additionally, CAP also advises the Council on development assessment trends and issues, and performs other functions assigned by Council.

Interested persons should ideally possess qualifications or experience in one or more of the following fields – town planning, architecture, heritage architecture, landscape architecture, urban design, environmental planning and environmental planning and law, or any other field that is relevant to the activities of the panel. Applicants will also require the relevant accreditation, or have the ability to obtain accreditation under the Accredited Professionals Scheme in accordance with the *Planning, Development and Infrastructure Act 2016* by April 2020.

Independent Members and the Presiding Chair are compensated for their time and expertise by an appropriate level of remuneration, determined by the Council. CAP meetings are held monthly or when required in the Council Chamber at Minlaton; at times there are on-site inspections undertaken with staff.

Expressions of interest detailing experience, qualifications, skills and knowledge should be forwarded to Roger Brooks, Director Development Services, Yorke Peninsula Council, PO Box 57, Maitland SA 5573 or via email admin@yorke.sa.gov.au by Friday 1st November 2019.

For further information or to discuss the position please feel free to contact Mr Roger Brooks, Director Development Services on 8832 0000.

Andrew Cameron
