

How do you use your jetty? Why is it important to you?

SA Jetties Strategic Plan

The Government of South Australia is developing a state-wide Jetties Strategic Plan, to explore options to develop a sustainable approach to the future management and prioritisation of investment for South Australian jetties.

To help inform the development of the Strategic Plan we want to gain a broad understanding of how jetties:

- Contribute to the economy
- Benefit the community
- Are used by local communities, visitors and businesses.

We want to know **how you use your jetty** and **why it is important to you** and your community.

Get Involved

Information about the project is here: yoursay.sa.gov.au/decisions where you can **complete the survey** and sign up to get project updates. You may also contact the **SA Jetties Strategic Plan Information Line** on **1800 318 070**.

The survey closes at 5.00pm on Friday 1 November 2019.
