BOAT RAMP PERMIT INFORMATION

IS119

Responsible Officer: SCO

Issue Date: 29/06/2020

Next Review Date: June 2021

**** Annual or Monthly Permits can now be purchased online at www.yorke.sa.gov.au ****

The Yorke Peninsula Council is responsible for the installation and maintenance of all improvements at our launching facilities. To make the facilities easier and safer to use, Council endeavours to keep these improvements as clean and up to date as possible.

During the 2019/2020 financial year, Council spent in excess of \$74,000 on the maintenance of the boat ramps. Many boat owners believe that Council receives a portion of the facilities levy that they pay to the State Government when they register their boat, to assist with maintaining our boat ramps and surrounds. Unfortunately, this is not the case, as the monies collected from this levy are administered by the South Australian Boating Facility Advisory Committee (SABFAC), who do not allocate funds to Council for boat ramp maintenance.

BOAT LAUNCHING FACILITIES

Council provides 34 Boat launching facilities on Yorke Peninsula, and only eight require the payment of a fee prior to launching. These facilities are situated at Ardrossan, Black Point, Port Vincent, Port Vincent Foreshore (boat ramp) Stansbury, Edithburgh, Point Turton and Port Victoria. A daily ticket can be purchased to launch a boat from any of these locations.

Anyone launching a boat from these facilities without first paying may be issued an Expiation Notice with a fee of \$100. This can also apply to a person who does not clearly display their permit or ticket.

NEW PERMITS

Council offers a one month permit for \$31 to cater for short term visitors, with the annual permit available to be purchased at a pro rata rate. The annual permit can be purchased at any time throughout the year, with the fee calculated on the number of months remaining in the financial year (including the month in which the permit is purchased).
