DISABILITY ACCESS AND INCLUSION ACTION PLAN 2020-2024

Prepared for:
Yorke Peninsula Council

Date:
27.10.2020

Disability Access and Inclusion Statement

Yorke Peninsula Council acknowledges that everyone plays a part in making sure we all have opportunities and choices to lead full and healthy lives, based on principles of dignity, equality, and respect, shared across cultures and communities.

Yorke Peninsula Council acknowledges the Narungga people who are the traditional owners of the land and offer respect to their Elders past and present.

Yorke Peninsula Council recognises that access and inclusion is the cornerstone of communities - where everyone who lives, works and visits the region can contribute and feel included.

Our Vision

Prosperous, diverse and uniquely spectacular - Yorke Peninsula

From the Mayor (or Introduction)

Yorke Peninsula Council has an important role to play in planning the local environment and improving access and inclusion for all. This Disability Access and Inclusion Action Plan (Action Plan) supports our Strategic Plan 2021-2025 and is a key example of how we will deliver on our strategic goals.

This Action Plan promotes the full inclusion of all communities, cultures and people in Yorke Peninsula and recognises that diversity should not be a barrier to participation in community life. It builds on the achievements of the Council in improving equal access to facilities, information, programs and employment for all residents and visitors to our region.

Not only is this Action Plan a demonstration of the commitment of Yorke Peninsula Council to engage with its community and be proactive in achieving its community vision, we seek to improve and learn through its implementation.

We are also working with our neighbouring Councils as we strive to be a regional community that recognises and promotes diversity and supports the participation and inclusion of all its members and visitors.

Please come on this journey with us, as we review, evaluate, and update existing strategies and actions to provide for a future with better disability and access inclusion.

Mayor Darren Braund, Yorke Peninsula Council

1 Community Ideas

Over 300 people across the region gave us ideas and feedback to help us prepare this draft Disability Access and Inclusion Plan 2020-2024.

We learned from people experiencing disability, their friends and relatives, carers, community organisations, health and education providers, advocacy groups, individuals, local businesses, Aboriginal and Torres Strait Islanders, as well as people providing services to, or working for, Council. Many of you shared personal experiences of disability which has improved our understanding of the actions we need to take as a Council and community.

Where our responses came from

22% people with disability

34% family members, friends and carers of people with disability

51% people aged 60 and over

14% people that live outside of a township

We heard that in some areas we are doing well, such as providing public signage and access to buildings, parks and public toilets. Better footpaths, community transport options and access ramps, pathways and equipment for people with disability in Council buildings are key areas to focus on. A review of disabled parking in towns and better access to the beach and foreshore areas is important to our community.

How we are doing

82% of people think they live in an accessible area

55% of people do not think there are good footpaths near them

One-quarter of people think it is hard to access the foreshore

85% of people think everyone has the same opportunity to participate in consultation and decision making

About half of the community think the Council is inclusive for all people

Most people in the community are getting their information from local newspapers and there is a need to support hard copy, signage and online communication.

The most popular ways to communicate with Council on a day to day basis is face-to-face and by telephone. Our community would most like Council to consult and engage with them via surveys or in person.

Day to day communication with Council

Consultation with Council

2 Our Planning Framework

Strategic Plan Moving Toward 2029					
Asset Management Plans	Long Term Financial Plans	Strategic Risk Register	Regional Public Health Plan	Regional Open Space and Recreation Plan	Regional Disability Access and Inclusion Plan
					Disability Access and Inclusion Action Plan
Annual Business Plan					
Budget					

3 Strategic Themes

Goal 1: Economically Prosperous Peninsula

Create an environment that encourages and supports a strong, diverse economy that attracts more businesses, residents and visitors. Success will mean revitalisation of our towns and retaining young, active and working future generations.

Goal 2: Community Connected through Infrastructure

Maintain and expand the connectivity of our community through a sustainable road network and planning for the necessary infrastructure that allows our multi-generational community to learn, work and live here.

Goal 3: Valued and Restored Environment

Council will be an investor, activator and custodian of our spectacular coastline and pristine environment. We will promote sustainable development and encourage the conservation of water, energy, the natural environment and minimise waste.

Goal 4: Community Engaged and Supported

Council will continually seek innovative ways to engage and support our community and improve the quality of life on the Peninsula. Council will continue to work in partnership with Progress Associations and other key stakeholders to achieve this goal.

Goal 5: Responsible Governance and Leadership

Council will demonstrate leadership, improve service delivery and ensure its business is conducted in a compliant, transparent, accountable, sustainable and efficient way using technology as an enabler.

4 Action Plan

Our Strategic Plan 2021-2025 is Council's lead planning document setting out Council's vision, goals and strategies for the Yorke Peninsula community over a five-year period. The Disability Access and Inclusion Action Plan (Action Plan) for Yorke Peninsula is one way Council is delivering on its Strategic Plan. The Action Plan also responds to the Regional Disability Access and Inclusion Plan for the Yorke Peninsula Alliance 2020-2024 and the State Disability Inclusion Plan 2019-2023. The Action Plan shows relevant links with Council, Regional and State priorities. Where items are specific to a location, they are shown with a coloured number in the table and on the plans that follow the action tables.

Goal 1: Economically Prosperous Peninsula

Council Strategy	Action for Disability Access and Inclusion	Timing (Yr1-4)	Lead (Dept)	Regional-State Link
1.3 Improve visitor experiences, including tourism infrastructure, signage, information and support	Review Council owned tourism accommodation and recreation facilities, features and assets for access improvement opportunities.	Yr 2	CCS	One: Joining in with tourism, events and sport-Inclusive communities for all Link: Regional Disability Access and Inclusion Plan
1.5 Partner with and build positive relationships with key stakeholders to progress tourism and business growth	Support Yorke Peninsula Tourism and Legatus to create a disability friendly accreditation program.	Yr 1	CCS	One: Joining in with tourism, events and sport-Inclusive communities for all Link: Regional Disability Access and Inclusion Plan

5.7 Develop programs and actions to become an Employer of Choice	Provide Council job advertising in an accessible format and encourage people with a disability and priority populations to apply.	Ongoing	CCS	Five: Working with Council-Learning and employment Link: Regional Disability Access and Inclusion Plan
5.7 Develop programs and actions to become an Employer of Choice	Support Council employees to integrate an all-inclusive and all-ability approach to their work and decision making, including induction and training programs	Ongoing	CCS	Five: Working with Council-Learning and employment Link: Regional Disability Access and Inclusion Plan State Plan Action 9 & 19

5 Implementation

Advocacy

Advocacy is important to people with disability. Council can play a role by inviting advocates to events that celebrate ability. Council can also invite service providers to its meetings. The Alliance Councils will seek to improve access to advocacy for the region.

Community Participation

Community participation in delivering the Action Plan is encouraged and may occur through membership on Council Committees, Advisory and Working Groups, community partnerships, individual contributions, volunteering, participation in consultation and engagement activities and feedback to the Councils.

Yorke Peninsula Council is proud to operate the Access Advisory Working Party and will continue to maintain this working group as an important source of information and advice to Council.

Regional Cooperation

The Action Plan supports the Regional Disability Access and Inclusion Plan for the Yorke Peninsula Alliance which builds upon the cooperative arrangements and resource sharing that already occurs between the Councils of the region. A nominated employee from each Council will participate in a Regional Staff Advisory Group responsible for monitoring, reporting and reviewing the Regional Plan.

Council Strategic Plans

This four-year Action Plan aligns with Council's Strategic Plan and delivers on the Regional Disability Access and Inclusion Plan for the Yorke Peninsula Alliance. Council is responsible for implementing the Action Plan and will nominate an employee responsible for oversight of the Regional Plan.

Reporting

Council will report achievements in implementing this Action Plan annually through its Annual Report. The Regional Staff Advisory Group will communicate regularly to facilitate delivery of the Regional Plan and will meet annually for the purpose of monitoring progress of regional priorities.

Review

This Action Plan can be reviewed at any time in accord with legislative requirements. The timeframe for evaluation and review of the Plan is every four years. The next four-year review is scheduled for 2024.
