

STANSBURY MUSEUM INCORPORATED LEASE PROPOSAL

The Yorke Peninsula Council is seeking public feedback on a proposal to renew the lease for the Stansbury Museum Incorporated located at Section 101 North Terrace, Stansbury, commonly known as the Stansbury Museum.

Under the Local Government Act 1999, Council is required to formally undertake community consultation for a lease or licence over community land when the term is greater than five (5) years.

Lease Proposal

To aid in the preparation of a detailed lease agreement with the Stansbury Museum Incorporated, the community is invited to comment on the following principles;

- An overall lease term of 20 years
- The lease provides the lessee with exclusive use of the premises
- The annual rent being a peppercorn rental, consistent with that currently being paid by community groups
- The permitted use is Museum and social activities

Project Background

Once known as Dalrymple House, the Stansbury Museum was completed in 1878 and was originally the old school house and headmaster's residence. It was opened as a museum in 1976. The museum delves into the town's post-colonial history with a proudly curated collection of rusty farm equipment, seagoing memorabilia, old clothes, bottles, photos and domestic remnants. Rooms within the museum have been refurbished to recreate the region's early times.

The museum is open on a regular basis and is operated by volunteers. The Stansbury Museum Incorporated is very proud of their museum and are committed to keep the local history alive for future generations to enjoy.
