INTERMENT RIGHT CONDITIONS

The following points are part of the interment right Conditions.

- 1. Options for periodic payments (cash, credit card, and lay-by options) may be available for the purchase of a burial or memorial licence. Please check with the cemetery.
- 2. An interment right may only be cancelled or transferred as per the cemetery's Operating Policy.
- 3. An interment right may be renewed, transferred, extended or cancelled upon application to the cemetery, in accordance with the cemetery's *Operating Policy*.
- 4. The rights granted to the applicant may be exercised upon the death or legal incapacity of the interment right holder by any one of the following people in descending order of entitlement:
 - 1 The executor or administrator of the applicant
 - 2 A joint executor or administrator (with permission from all others) of the applicant

- 7. Under the *Burial and Cremations Act 2013*, if it has been two years or more since the interment right for a site has expired, the cemetery may dispose of unclaimed headstones or memorials. Before disposing of a monument, the cemetery will attempt to contact the interment right holder for the site.
- 8. If at the end of the interment right period the interment right is not renewed or extended, the cemetery may reuse the interment or memorial site.
- 9. Cemeteries have specific requirements regarding the design of headstones and memorials which will require authorisation prior to installation. Some cemeteries are listed on the State Heritage Register and require headstones, monuments and alteration work to be approved by an appointed Heritage Advisor. This approval process may take time.

Please let the cemetery know if you change your address or contact details.
