Some people are susceptible to epileptic seizures or loss of consciousness when exposed to certain flashing lights or light patterns. Such people may have a seizure while watching certain monitor images or playing certain video games. This may happen even if the person has no medical history of epilepsy or has never had any epileptic seizures. Council recommend that if you or anyone in your family has ever had symptoms related to epilepsy (seizures or loss of consciousness) when exposed to flashing lights, you should consult your doctor prior to participating in the Event. Photographing or videotaping of the Event, personnel, or attendees for the purpose of sale or publication to the press, is expressly forbidden unless written permission has been obtained from Council.

Attendees should also be aware that footage of the Event and attendees is gathered by Council and Team AVCon personnel and may be used in a highlights video, for promotion or for other use. Entry into YorKON constitutes consent to be filmed or photographed by Council and/or Team AVCon personnel or approved industry or media during the Event without compensation to you. Entry into YorKON constitutes a grant of rights to Council and Team AVCon to reproduce, display, distribute, perform, create derivative works from and otherwise use any media derived at the Event. These rules apply to all Event attendees.

Inappropriate use of photography or video technology constituting harassment of attendees or a violation of local/state/federal law will result in ejection from the Event.

Dangerous activities will not be tolerated. This includes aggressive actions towards other attendees, fighting, offensive behaviour, indecent exposure, possession of weapons and other obscenities which could result in substantial risk or harm to persons or property. Attendees

participating in these activities will be evicted from the venue without right to re-entry. Council, Team AVCon, other participating organisations and their personnel/volunteers (including associates) are not responsible for any injuries, damages or loss caused by these activities.

Council continues to monitor the current situation in regard to the **COVID-19** pandemic. YorKON will be held in line with all health advice and government directions/guidelines that may be in place at the time. We ask that you please stay home if you are feeling unwell, are showing any COVID-19 symptoms or are required by government directions to isolate, for reasons including but not limited to waiting for test results or have been identified as a close contact of a proven case of **COVID-19**. In the case of an emergency evacuation or situation please follow Council and/or attending emergency service directives.

Weapon & Prop Policy

Council define a weapon as being any item which is large, pointy, sharp or heavy enough to cause possible harm or any item which could cause harm to other attendees or property.

Examples of what attendees are NOT allowed:

- Bladed or edged weapons
- Steel of any kind (knives, swords, axes, martial arts equipment, shuriken, Okinawan Kamas, etc.)
- Firearms (unless the owner is an authorised law enforcement official)
- Explosives (thermo nuclear devices, etc.)
- Wooden weapons, such as bokken, staffs etc.
- Liquid dispensing weapons
- Anything that shoots a projectile (this includes realistic and plastic guns)
- Anything that is sharp and could cause harm to other attendees or property
- Anything that looks like a weapon that could cause harm to other attendees or property in the opinion of Council or Team AVCon personnel
- Anything Council, Team AVCon or the law deems illegal, overly harmful and/or inappropriate.

Instead, Council allow attendees that have weapons as part of their cosplay costumes to use cardboard/plastic/rubber/styrofoam "fake weapons". Anyone caught with a weapon deemed unsafe and/or inappropriate will be asked to put it in storage at the Event or their own storage (such as inside their car). If the person(s) is found later to not have stored the weapon they may be ejected from the Event and banned/blacklisted from future Council events.

Anyone found to possess an illegal or real weapon of any kind will be reported and handed over to the relevant authorities.

Weapons should not at any time be waved around. It can be considered "brandishing" to wave a weapon around in a manner that may be construed as use of the weapon. If your weapon is drawn at YorKON you may be ejected from the Event. Keep in mind South Australian Police assume all drawn weapons are functional and Police Officers will act accordingly.

If you are unsure that your weapon is acceptable please contact Council by calling 08 8832 0000 or emailing admin@yorke.sa.gov.au prior to the event or ask Council personnel to inspect your item on the day. Please use good judgement when bringing props/weapons to the Event.

Failure to comply with the above Terms and Conditions may result with ejection from YorKON and banning/blacklisting from future Council events.
