

COMMUNITY CONSULTATION

Permit to Use Public Road for Exclusive Use (Cropping or Grazing)

While most Council roads are used by the general public, our region has a large number of smaller roads that provide access to individual properties, as well as roads that have been planned but not built. These roads are commonly referred to as Unmade Public Roads.

The main purpose of issuing permits for use of unmade public roads is to provide statutory authorisation to property owners allowing them to use Council property for private business purposes.

Pursuant to the Local Government Act 1999 – Section 223

If a council proposes to grant an authorisation or permit that:

- a) would result in any part of a road being fenced, enclosed or partitioned so as to impede the passage of traffic to a material degree; or
- b) in relation to a use or activity for which public consultation is required under the regulations,

The Council must, before granting the authorisation or permit, follow the relevant steps set out in its public consultation policy.

Council has received the following renewal applications for a Permit to Use Public Road for exclusive use (cropping or grazing).
