

Expression of Interest (EOI) - YPC COMMUNITY ART FUND

Are you looking for funding for a local community arts project or event?

The YP Arts & Culture Working Group led by Yorke Peninsula Council Arts & Cultural Facilitator Sonya Rankine has allocated funding to support community art projects within the Yorke Peninsula Council region.

The funding is limited, and must be allocated by 30 June 2024, so small-scale projects are ideal for the YPC Community Art Fund.

YPC Community Art Fund will only approve funding to projects that will be completed by 31 July 2024.
