9 QUESTIONS ON NOTICE**9.1 QUESTIONS ON NOTICE RECEIVED FROM CR KRISTIN MURDOCK**

The following Questions on Notice were received from Cr Kristin Murdock.

Question 1

What external mental health assistance is available to council staff? Was it used in the last two years? If so, what was the cost to Council for each year?

Response

Council has an Employee Assistance Programme (EAP) in place. In relation to use of the EAP and the cost to Council for 2023 and 2024, please refer to the response to Questions 1 and 2 below.

Question 2

What external mental health assistance is available to Elected Members? Was it used in the last two years? If so, what was the cost to Council for each year?

Response

Council's EAP is also available to Elected Members. That is the same EAP service is available to both Council employees and Council members.

The EAP is a confidential service. If the questions seek information as to whether Council employees or Council members accessed the EAP and/or for the cost of the EAP service to be disclosed separately for Council members and Council employees, I consider the questions to be improper and irrelevant.

The cost to Council for external mental health assistance for employees and Council Members for the last 2 years is as follows:

2023	\$2,392.50 GST incl.
2024	\$1,656.60 GST incl.

Question 3

Which council staff member/s have the authority to approve legal costs for council matters? Is there a limit to these amounts?

The below employees have authority to approve legal costs for Council matters within financial delegation and as per Council's approved budget.

26 GENERAL BUSINESS

Section 85 of the Act requires that matters on the Agenda are described with reasonable “particularity and accuracy” and reports and other documentation to be considered at a meeting are available to the public prior to the meeting. The practice of general business should be restricted to matters of urgency.

PURPOSE

RESOLUTION

Moved: Cr Trevor Clerke
Seconded: Cr Tania Stock

That Council note the verbal response provided by Cr Kristin Murdock in relation to Item 9.1 Questions on Notice.

CARRIED 057/2025 (12/02/2025)

Cr Kristin Murdock’s response:

Be assured, my questions are not aimed to cause distress to anyone, either staff or elected members.

I do not expect (or want) any personal information, only general information and clarity around what is available for staff and elected members and if this shows parity. I am sure you would probably agree that recent events have caused stress to all on some level.

Making options clear is surely helpful to those who may be seeking this type of assistance but are not sure what is available?
