## COMMUNITY CONSULTATION PORT CLINTON SHADE SAIL PROJECT

### Project Summary

The Port Clinton Progress Association is seeking to install shade sails over the Port Clinton town playground to enhance user comfort and safety.

The project aims to provide increased protection from sun exposure, encouraging greater use of the playground, particularly during warmer months.

As part of the Algal Bloom Summer Plan and other support packages, the State and Federal Governments are investing to support local coastal communities. Port Clinton Progress Association has been approved to receive funding for this project.

### Purpose

Yorke Peninsula Council invites public comment on the proposal to deliver the Port Clinton Shade Sail Project.

## Proposed Works

The project involves the installation of structural framing and shade cloth over the Port Clinton playground.

The proposed shade structure will span approximately 27 metres in length and 8 metres in width, with a maximum height of approximately 6.1 metres. Works will include the supply and installation of support posts, footings, and durable shade cloth.
