### 1. POLICY OBJECTIVES

This policy aims to provide the community, stakeholders, council staff and Elected Members with an understanding of the role of community engagement in the decision making processes of the Yorke Peninsula Council (the Council). This policy also outlines the minimum standards of community engagement techniques used by the Council and the circumstances of when and how each technique will be used.

### 2. SCOPE

This policy applies to:

- i. All employees of the Yorke Peninsula Council.
- ii. Elected Members.
- iii. Contractors or consultants acting on behalf of Council.

### 3. DEFINITIONS

Act	The Local Government Act 1999 (SA)
Community	The people who; live, work, conduct business activities or use the facilities in public places in the Yorke Peninsula region.
Council	The Yorke Peninsula Council.
Policy	Refers to this Community Engagement Policy.
Community of Interest	A group of people brought together by a common interest.
Primary Stakeholder	Is someone who may be directly affected by or have a direct interest in the decision or issue under consideration.
Secondary Stakeholder	Someone who has a general interest in the decision or issue under consideration.

#### 4. POLICY STATEMENT

The Council recognises that community engagement plays an important role in its decision making processes and members of the community have a right to be informed about issues affecting their lives. The intention of this policy is to provide a planned, consistent and cost effective approach to consultation (community engagement). Council will follow this policy, as a minimum standard, in all instances where consultation should occur with the community.

Community involvement in Council decision making should result in greater confidence in the Council and will foster open, transparent and accountable processes.

As recommended by the Local Government Association of South Australia, this policy has been informed by the International Association for Public Participation (IAP2) products for public participation processes.

This Community Engagement Policy specifies four levels designed to suit all consultation requirements, ranging from the most basic public notification, to seeking input on a major project or issue of communitywide significance. These are:-

- **Level 1** – we will keep you informed.
- **Level 2** – we will keep you informed, listen to and acknowledge concerns and issues and provide feedback in how public input influenced the decision.
- **Level 3** – we will work to ensure that your concerns, issues and aspirations are directly reflected in the alternatives developed and provide feedback on how the public influenced the decision.
- **Level 4** – we will look for direct advice and innovation in formulating issues, alternatives and solutions.

Under the *Local Government Act 1999*, there are specific legislative requirements whereby Council **must** consult. Council is required to undertake particular types or levels of consultation (as a minimum) in relation to the following:

- Determining the manner, places and times of its principal office (section 45)
- Adopting or varying a public consultation policy (section 50)
- Altering the Code of Practice relating to the principles, policies and procedures that Council will apply to enable public access to Council and Committee Meetings, their minutes and release of documents (section 92)
- Adopting Strategic Management Plans (section 122)
- Excluding land from classification as community land (section 193)
- Revoking the classification as community land (section 194)
- Adopting, amending or revoking a management plan for community land (section 197)
- Amending or revoking a management plan for community land (section 198)
- Alienating of community land where the management plan does not allow it (section 202)
- Alienating roads (section 223)
- Planting vegetation where it will have a significant impact on residents, the proprietors or nearby residents (section 232)
- Carrying out representation reviews (section 12(5))
- Considering a change of status of Council or name change (section 13)
- Carrying out commercial activities – Prudential Arrangements (section 48)
- Making Bylaws (section 249)
- Making Orders (section 259)

Refer to Appendix 1 for a Schedule of Minimum Requirements per the *Local Government Act 1999* and the steps to be followed.

Where there is no legislative requirement for consultation, selection of the appropriate level will determine the resource requirements for the consultation.

It should be noted that a certain degree of flexibility is required to suit specific situations. Therefore the following sets out the minimum standards for each level which may apply for certain activities without being too prescriptive.
