4. POLICY STATEMENT

In recognition of the important contribution that Progress Associations make to the infrastructure and fabric of the townships of Yorke Peninsula, Council will budget for an annual financial contribution (as identified during the budget process) to assist the organisations identified in this policy to continue to support Council in its strategic goal to have well-presented and vibrant townships and holiday settlement zones.

The financial contribution is untied, however transparent, accountable and responsible management of ratepayer funds is an expectation of Council when expending these funds. Should there be any doubt in regard to appropriate use of such funds, Progress Associations should contact the Director Corporate & Community Services for advice.

Council will make one financial contribution per township.

Where an incorporated not for profit body undertakes the role which would usually be provided by a Progress Association, Council will consider a financial contribution to that organisation, upon application.

Council will provide the grant to identified eligible associations no later than September 30 of each year. Granting of the contribution is at the discretion of Council.

Council may consider written applications from Progress Associations (or similar not for profit organisations) experiencing hardship, for funding in addition to the annual allocation. Submissions must be received by December 31 of each year for consideration at the February Council meeting.

Progress Associations (or similar not for profit organisations) are required to produce a copy of their most recent financial statement and any other information requested by Council as part of their application for this contribution.
