Dear Resident/Business owner,

As part of the Upper Yorke Peninsula Regional Road Network Upgrade Program, and in conjunction with Yorke Peninsula Council, the Department of Planning, Transport and Infrastructure (DPTI) is improving safety and efficiency for heavy vehicles, motorists and agricultural vehicles on the Upper Yorke Peninsula.

Elizabeth Street, between Kilkerran Terrace and Robert Street, Maitland, will be upgraded with new kerbing and full width road resurfacing to improve comfort and safety for road users, and improve stormwater drainage.

The works are scheduled to commence **Tuesday, 3 April** and are expected to be completed by **early May**, weather permitting. Works will occur between the hours of 7am to 5pm Monday to Friday, and 7am to 2pm Saturday. There will be some temporary road closures and other speed and lane restrictions may apply subject to on site conditions. Pedestrian access will be maintained at all times.
