Overnight Camping Area Management

****To be eligible to use overnight camping facilities, a Recreational Vehicle (RV) is defined as being a self-contained vehicle either towed or self-propelled, having as a minimum, its' own toilet, shower, water tank, fridge, black water collection tank and grey water collection tank.***

Per night camping fee (incl GST): \$ _____

How do you intend to collect this fee?

How do you intend to police payment of this fee?

How do you intend to ensure campers comply with appropriate Recreational Vehicles as defined above?

What Waste Management facilities and collection procedures will you put in place?

What restrictions will you place on the use of on-board generators?

Short Term Parking Location near the Central Business District

The RV Traveller expects a parking area in close proximity to the central business district for easy access to shops.*RV Short Term Parking will comply with any existing time limits. The maximum parking time is six (6) hours.

Town: _____ Street: _____ Post Code: _____

Lot No: _____ **** If applicable***

Longer Term Parking

***Council encourages the use of existing caravan parks and camping areas.**

What can you offer for longer term parking (up to five (5) days)?

Visitor Information Outlet

Do you have a Visitor Information Outlet? **Yes** **No**

What processes and paperwork will you put in place to ensure Visitor Information Outlet employees are aware of the requirements of RV Friendly Status?

Public Consultation Process

***Community acceptance is an integral component of the RV Friendly classification. Affected businesses, clubs, organisations and the community should be involved in the consultation procedure.**

Council will conduct a public consultation process as outlined in Councils' Community Engagement Policy PO057.

A fee of \$275.00 incl. GST will be levied should this application proceed to Public Consultation.

You will be notified prior to the consultation process.

Appropriate Land Use
