Guidelines for Applicants

Thank you for your interest in working with the Yorke Peninsula Council is an equal opportunity employer and uses merit-based selection techniques. Please read these guidelines carefully as they are designed to help you understand Council's selection process and to put forward your best case for appointment.

Once you have found a vacancy that you would like to apply for, you should collect as much information about the position as you can.

Included in this information package is a copy of the position description which provides comprehensive information about the position, including duties and responsibilities. The position description also contains the essential and desirable selection criteria i.e. the knowledge, skills and experience required to do the job. It is the selection criteria that form the basis for making a merit-based selection decision.

If you require additional information about the position, you may speak to the contact person named in the advertisement.

Your application

When you apply for a position with Council, the key to gaining an interview is your written application. A good application shows why you are the best person for the position and how your knowledge, skills and experience match the selection criteria. Your application should contain:

- A completed Application for Employment form (**essential**)
- Your statement addressing the selection criteria (**essential**)
- Your resume (**essential**)
- A brief covering letter (**optional**)

Statement addressing the selection criteria

Short listing (or selection for interview) is based on how well your skills, knowledge and experience meet the selection criteria. Therefore you must include a statement addressing the selection criteria in your application. If not, you are unlikely to get an interview.

Make a separate heading for each selection criterion and for each one, describe your knowledge, skills and experience and how they relate to the job. One way to do this is by providing relevant examples of the work you have completed in your previous and current employment. For example, it is not sufficient just to state, "I have strong project management skills." Ideally you should give a description of the projects you have managed, what you did on those projects, and what was achieved. This will enable the selection panel when assessing your application, to develop a good understanding of your capabilities. You should also emphasise your major achievements as well as any transferable knowledge and skills that may have been gained outside of paid employment.

Example:

Proven ability to work efficiently and effectively within a team and/or independently

I have worked across a number of different industries and this has allowed me to develop my ability to work well and productively with a wide range of individuals and teams. My strong communication skills allow me to work well in team environments. Whilst completing my traineeship with Company XYZ I had the opportunity to work two different teams with different outcomes. I found I was able to adapt easily to the different environments and be an asset to both teams.

In my approach to my work I am professional and practical, and as an effective team member am always willing to pitch in to complete the work that needs doing. My previous role with Company ABC allowed me to also work autonomously. I used a task driven approach to ensure that I completed my tasks on time. This ability to stay on track contributed to the team as a whole as well.

Your resume

Prepare a resume (or curriculum vitae) which is clear, concise, up-to-date and includes:

- Personal details
- Education and training
- Employment history (name of organisation, period of employment, job title, major duties and responsibilities, main achievements)
- Skills/experience gained outside of paid work
- Contact details for two referees

The application form

Complete the 'Application for Employment Form' and enclose it with your application.

Important notes

- Please ensure that your application and attachments are securely held together and avoid sending them in folders or binding.
- Applications submitted past the closing date are not accepted unless written advice of intention to apply was received before the closing time and the formal application is received within an agreed time frame.
- Applications that are unsolicited or do not address an advertised position will not be considered and are discouraged by Council.

Interview and Selection

Reviewing Applications and Preparing a Shortlist

The first step in the selection process is to review all received applications and prepare a shortlist.

Applications are assessed against the essential and/or desirable selection criteria found in the position description. Applicants who best meet the selection criteria will be short-listed and contacted for an interview. Those who do not meet the selection criteria or who are not competitive with other applicants (due to lesser experience or qualifications) will not be short-listed for an interview and will be notified in writing as soon as practicable.

The Interview and Other Work Tests

Relevant members of council staff will conduct the interview. Interviews are conducted in a structured manner and questions based on the selection criteria.

Applicants will be asked to give examples of how they have performed in situations similar to those they will face in the job. The interview allows the selection panel to create a clear picture of the applicant's past knowledge, skills and experience as they relate to the functions and responsibilities of the job. The selection panel may use a number of methods in addition to the interview to assess the applicant's ability to perform a job. For example, applicants may also need to demonstrate competency on an item of plant or complete a problem-solving exercise.

It is a good idea to prepare for your interview. Some handy tips include:

- Think about the types of questions you might be asked at an interview and practise your answers out loud;
- Think about your strong points and major achievements;
- Think about how your knowledge, skills and experience relate to the requirements of this job

During the interview it is a good idea to:

- take your time – think about your answer;
- ask for clarification if you don't understand any of the questions;
- give relevant and complete information;
- describe what you were responsible for and what you achieved;

-
- talk with confidence and in a positive manner;
 - give specific examples of your past work to support your answer
 - avoid exaggerating

Council will endeavour to meet any special requirements you may have to enable you to attend the interview, such as building access or communication assistance. Please inform the HR Officer of any requirements at the time you are invited to attend an interview. The Yorke Peninsula Council does not reimburse interview expenses.

Reference Checks

After the interviews have taken place, Council will contact the nominated referees of the preferred applicant(s). It is important that the referees you nominate can support the information you provided in relation to your work behaviour and performance and are aware that they may be contacted.

Pre-employment medical examination

In the interest of providing a safe and healthy workplace, our recruitment and selection process includes a pre-employment medical examination. The medical will be conducted at Council's expense.

Notification

If your application is successful, you will be telephoned and offered the position. A written offer including conditions of employment will then be forwarded by mail.

After an offer of employment has been made and accepted, all other applicants will be notified of the outcome by letter. This process is normally completed within two weeks of the interviews being conducted.

For assistance, guidance or feedback in the preparation of your application, feel free to contact Council's HR Officer, Carina Congdon in person at the Maitland office, 8 Elizabeth Street, Maitland or by phone (08) 8832 0000.

Your application **must include**:

- A copy of your full resume or curriculum vitae;
